President's Column *Fontaine of Knowledge*

It's Ground Hog Day, and I have the feeling that Punxatawny Phil is going to see his shadow and we will have 6 more weeks of skiing. I see we are expecting 6-8 inches here in the Fox Valley, and up to a foot in Marquette. That will make for some good skiing at Marquette this weekend for our Marquette. There is still time for last minute sign-ups at our Wednesday Feb 3 Sly Fox meeting at The Bar.

We got back from our Big Snow Trip a few weeks ago, a great time. See our trip leader's report elsewhere in the Fox Tales.

The Sly Fox meeting on Wednesday Feb 17 will be our pretrip meeting for the Whistler trip.

It is time to talk about club leadership for the 2016-2017 season. It is the officers and volunteers that make the club's activities happen. We are always looking for volunteers to contribute their time, ideas, skills and efforts to keep the party going. Beginning at our next meeting on Wednesday Feb 3, we will begin the process by taking nominations for next season's officers. That includes all offices: Secretary, Treasurer, Vice President, and President. We will take nominations again on February 17 and March 2. The election will take place on Wednesday March 16. So step up and help keep the club keep on skiing. It is a very rewarding and fun job!

Tips Up,
Sam Fontaine

Big Snow Wrap-Up

We had another great weekend of skiing on Jan 8-9th. We left Appleton and De Pere with a bus load of "eGer" skiers. The subs were great, the movies good and the beer flowed. We had the card players in the back having fun as usual. When we got up to Indianhead, we got our rooms and then some of us went to the bar. The band was "The Miller Brothers". They were really good. It was snowing when we got there and it continued to snow all night. The next morning we woke up to 3+ inches of fresh powder! Mother Nature was not done yet though. It continued to show all day. Sometimes even a white out. The temperature was in the 20's so a really good day of skiing. We ended the day in the bar, in the pool, then in the restaurant. The dinner of tenderloin tips and chicken cordon blue blew us away again. "The Miller Brothers" were in the bar again and some of us did not get enough exercise so we danced the night away. The next morning was a bit chilly, 6 below with a wind chill of -25. Once we ate breakfast and headed out, the sun came out and it really did not feel that bad. It was beautiful! Another good day of skiing. We did watch the Vikings lose! We then headed out. Not everyone was familiar with the "lunar" award. I explained it was when someone does something really dumb! There were numerous nominations and the vote went to Mike Bast! I don't remember what he did but he got the best award--a book to console himself --"A home is a roof over the pig". If that doesn't say lunar, I don't know what does. All and all- great trip, great skiing, great friends!

Debbie Mossong, Esteemed Trip Leader
