KRAMER's REMARKS...

Summer is finally here...yeah!

The Sly Fox Board continues to plan out the next year's activities. At the June meeting, we spent most of the meeting setting up the trips for next year. We need to lock down the prices, but we have the dates for you to begin putting on your calendar. (Please see the list in the newsletter.)

In the last newsletter, I asked if anyone was interested in being a Field Editor and Enid Cleaves has offered. We are looking forward to her article. Again, please let Sandy or me know if you are interested. I know everyone will enjoy these articles.

In revamping the committees this year, a new sub-committee is called the Snowflake Committee. This is the brain child of Jim Mc Monagle and he will need your support. The Snowflake Committee will include Brew Masters (they bring the beer up from the bar at the meetings) and Greeters (they will meet new members and share information on the club at meetings). What we would like to do, is have you sign up for one meeting for one of these tasks. We are not asking you to commit to the entire year, but only one meeting. I have listed the meetings in the newsletter with slots for you to sign up. Please pick your favorite night and help out a little. As the saying goes... It takes a village to run our club.

Increasing membership is another focus of the club this year. To address this need, we are revamping our marketing. Deb Matz is working on this aspect. She will be contacting members to get your input on how you would like to see the Club move forward. I shared with everyone that I want your voices heard this year. Please let us know if you have any ideas. It is important that we increase our membership as we move forward. As incentive, please take a look at the Friends of the Foxes Reward program. Please share information of the Club with your friends, neighbors, colleagues, and new people you meet. You can save \$10 toward a Sly Fox Ski trip if you get them to join. We had seven new members last year join through this program... Let's double that number this year.

Lisa Belau and I are working on revamping on how the meetings will be conducted this year. Please mark your calendar for the first meeting, October 2nd. This will be our Annual Meeting, trip sign up, and new member meeting... a Trifecta. At the Annual Meeting we will present the recently revised Bylaws to the membership. If you would like to preview these Bylaws, please contact Monica Secor (secretary) and she will forward a copy of the Bylaws to you.

Take care,

Dar
