President's Column Bram's Ski Trails

Hi Everyone,

It is May already and the Trip Chair, Sam Fontaine is already working on our ski schedule for the 2013-14 season. Those potential new members that are contemplating joining the club can sign up at any time to receive our newsletters and the latest news on the events and trips as soon as they are published. They will also be able to join in the fun and get to know other members of the Sly Fox Ski Club. At this time we have one summer event planned for members & non-members on June 21st, a repeat of the TimmberRattlers Tailgate & Game with reserved seating at the Fox Cities Stadium. It is a great time with all the fixins' and allows us to keep in touch with our ski buddies. Full details & sign up is in the newsletter.

This will be my last article as your President with my deep appreciation for that honor. I will be taking the position on your Board as Advisor/Past President and will continue to stay involved in this wonderful club. I want to express my heartfelt thank you & guidance to all the members, Officers/Board members, Volunteer Chair Persons from this last year. The Board has accomplished a great deal this year and we have always worked & voted together concerning the direction of the club. We have incorporated a "Friends of Foxes" rewards program to expand the club with new members and that also benefits loyal members for their referrals. You, the members is what makes this club what it is.

Besides myself as Advisor/Past President I would like to introduce your 2013-14 Officers & Board of Directors that was inducted into office at our Spring Banquet on April 19th; President Dar Kramer, Vice President Lisa Belau, Treasurer Julie Buechner and Secretary Monica Secor. Congratulations and thank you. The Volunteer Committee Chair persons are as follows: Trip Chair - Sam Fontaine, Membership - Jim McMonagle, Historian - Dar Kramer, Newsletter Editor - Sandy McMonagle, Webmaster - Deb Bramschreiber, Happy Hour Locations - Vicky Voght and the new position of Marketing, Deb Matz. A big thank you to the Volunteer Chair persons. It will be a fun & great year as usual and also remember to get more involved in your club.

Thank you again,

Deb Bramschreiber

2013 NATIONAL BIKE CHALLENGE

The **2013 National Bike Challenge** is a free and fun program to help people across the U.S. improve their health, save on transportation, and reduce our impact on the environment. It is a free and easy way to challenge yourself to ride your bicycle for exercise and transportation. It is fun, promotes teamwork and encourages a healthy lifestyle. It is a great opportunity to lose a few pounds while sculpting our glutes for the beach.

The warm-up period for this year's challenge started March 1, putting the challenge way out in front of the weather this year. The warm up period allows you to start logging your miles for fun. The official start of the challenge is May 1, and the challenge will run through September 30.

Why Participate in the Challenge?

- **Fun:** You can join a team or ride individually. Either way you can track your progress versus your friends and you have a chance to win prizes.
- **Health:** Participation in the challenge gives you a reason to get on your bike "today" and every day.
- **Economics:** Bicycles do not need to stop at the gas pump! Using your bicycle for transportation saves money directly. More importantly, a healthy lifestyle can reduce health care costs.
- **Environment:** Biking reduces greenhouse gases. Nearly 50% of all trips in metropolitan areas are three miles or less, making these trips a good distance for cycling.
- **Camaraderie:** The web page for the National Bike Challenge has a networking application. This site is used to share information about cycling events and services. It also allows you to communicate with your friends and share information with the cycling community.

Join the challenge at www.nationalbikechallenge.org Click the "Join" button and become a new user or join via your Facebook profile. Now you have the chance to list your workplace. Make sure to write it in exactly as Thilmany, LLC so that you will be counted with us.

The Challenge has many great prizes, and each month prizes will be given away to reward Challenge participants. The more you bike, the better your chance of winning will be! The Challenge uses a point system to encourage riding and measure your standing. You will receive 20 points for each day that you ride one mile or more plus one point for each mile that you ride.

To learn more about the Challenge, visit www.nationalbikechallenge.org.

To join a team, you will need to click on "Leaderboard" at the top of the page and navigate to the Teams section. Once there, a prompt will appear in the right side of the screen that says "It looks like you're riding solo! Click here to join a team." Once there, you'll be able to join our team.

Sandy and I created a team for Gelandesprung and the Sly Foxes called "Skiers Roll." There is no limit to the number of team members; everyone is welcomed to join.

There is a Facebook page for the Challenge – once you join, you can encourage others, just "Like" the Facebook page! <http://www.facebook.com/pages/National-Bike-Challenge/578021728875832>
