IT IS TIME!! We will be starting our 2019-2020 ski season on Wednesday, October 2nd at THE BAR at 2435 W. Nordale Drive. Located on the corner of Lyndale and Northland Ave in Appleton. Socializing at 7 pm., formal meeting starts at 7:30 pm. This will be our "Annual Meeting / New Comers Meeting" where we will review the financial results from our last season and our plans for the upcoming year.

We will present our ski trips for this season. There will be beer, wine and soda available along with a sampling of wings. I encourage you all to attend to hear about our trips. We have a reciprocity agreement with the Gelandesprung Ski Club so if you are a member of either club, you can also go on the other club's trips.

Wednesday October 16 –Recyclist Presentation – winterizing a bicycle, new items in the industry, and ski wax schedule.

## Telluride History

### Turn of the Century

Telluride was founded in 1878 as the town of Columbia. However, as post office confusion grew between Columbia, Colorado & California the town agreed to change its name. Debate continues. Source of the name Telluride originated from the element associated with deposits of gold & silver or if it was from the farewell shout, "To-Hell-You-Ride" from families sending their young men to claim their fortune in budding mining town quickly developing a boisterous reputation.

### Gold Rush & Bank Robberies

At the height of gold rush nearly 5,000 people lived in Telluride & number of millionaires (per capita) outnumbered those in NYC. This wealth did not go unnoticed. The notorious bank robber Butch Cassidy actually began his stick-up career here getting away with a cool \$24,580!

### Ghost Town

With all booms there tends to be inevitable bust & Telluride was no different. As mining dried up, families packed up & left in droves. In 1953, the last mine closed & it became a ghost town until the early-seventies.

### Becoming World Class

The ski resort was purchased by Ron Allred & Jim Wells then transformed into the world class destination resort we see today. Development continued with the creation of the Gondola transportation system, the incorporation of the town of Mountain Village & expansion to new terrain. In 2004, Chuck Horning purchased the resort & has dedicated further resources to expansion including Black Iron Bowl (Lift 12). Gold Hill Chutes & Palmyra Peak (Lift 14), & Revelation Bowl (Lift 15).

**Golf Outing @**  
**WINAGAMIE**

**WRAP-UP**  
by  
**Kathy Bruns**

Nine golfers (4 women and 5 men) gathered at Winagamie to play 9 holes on the Pines. A little cool but no rain.

Each participant received some goodies before teeing off. Sack lunch consisted of a ham and cheese sub, chips, cookie and bottle of water. Each hole had an event for a prize. Hole 8 event was longest drive in the fairway for the men - it was the only hole without a winner.

Prizes were awarded over some beverages and conversation. Thanks to all who signed up.

PS. There was no official Luner award but there were two situations that qualified: Gary Herwig drove off with someone else's cart. Duke Dreifurst and Paul Buechner played all 9 holes with a hula hoop on top of their cart (left behind by another outing).
