

Sly Fox Ski Club Membership Meetings

Oct. 15, 2020

In lieu of the “in person” meetings, the Board will continue membership meetings with eblasts to all members on the respective meeting dates with updates on our trips and any other general information that would have been discussed at our meetings. We will also keep you updated in our Monthly Newsletters. The first eblast will be on October 21, 2020.

With the increasing number of COVID cases and deaths in the Fox Valley and Wisconsin, the Sly Fox Ski Club Board has voted unanimously to suspend the “in person” meetings at the Bar for the remainder of 2020.

This includes the meeting dates of:

October 21, 2020

November 4, 2020

November 18, 2020

December 2, 2020

The board will revisit this decision in December and keep you updated on the meetings for January, February and March 2021.

Any questions for the Board can be directed to:

We look forward for the environment to get better in 2021!
